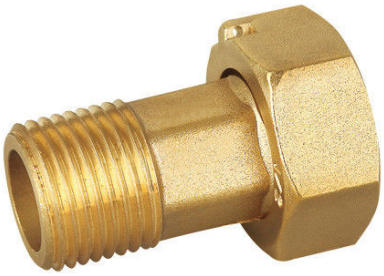
DN 20 Bronze or Brass Water Meter Couplings Connectors for Meters

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: TSTY
- Certification: ISO9001
- Model Number: Accordingly
- Minimum Order Quantity: 500 - 2000 pcs
- Price: USD / EURO / RMB
- Packaging Details: Standard Export Package
- Delivery Time: 4-8 weeks
- Payment Terms: L/C, T/T
- Supply Ability: 500,000 pcs per Month



Product Specification

- Material: Brass / Lead Free Brass
- Size: DN15, DN20, DN25, DN32, DN40, DN50
- Media: Water
- Surface Treatment: Natural, Etc
- OEM Acceptable: Yes
- Sample Requested: Yes
- Highlight: **brass meter coupling**, **water meter pipe fittings**

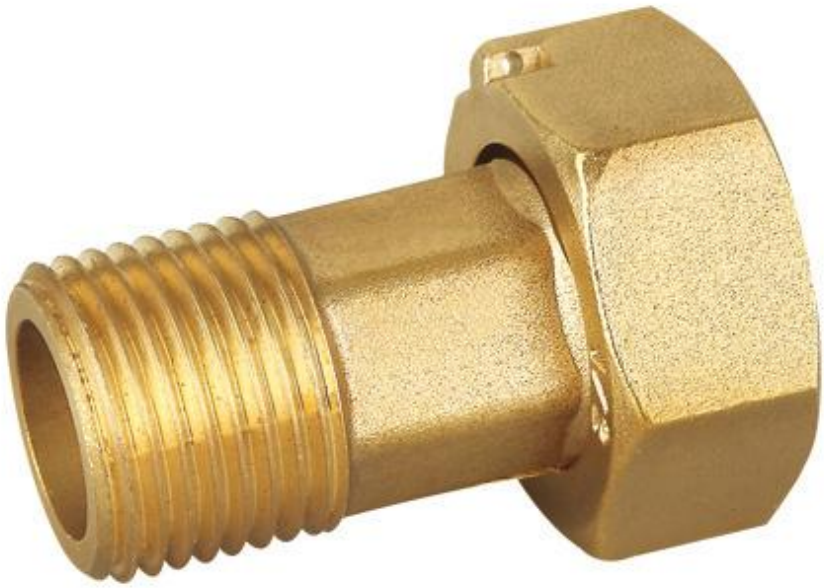
Product Description

OEM Brass / Bronze Water Meter Couplings / Connectors for Water Meters

Item	Brass Nuts and Liners
Material	Brass can be CuZn40Pb2, CuZn39Pb3, CC754S, CC770S, C3604, C37710, CW614N, CW617N, DZR BRASS, etc.
Dimension	1/2", 3/4", 1", 1-1/4", 1-1/2", 2", 3", 4"
Finish	Natural, etc
Connection	Customized
Working Temperature	-20°c ≤ t ≤ 100°c
Working Medium	Water, Non-causticity Liquid, Saturated Steam
Process	Forging, Automatic Sand Casting, Shell Molding
Machining Equipments	IMR Gravity Casting Machinin, Japan Automatic Casting Line,CNC,CNC Lathe,Transfer Machine,etc.
Inspection Equipements	Spectrometer for Material Composition Analysis CMM for Diemsion Check 100% Leakage Test 100% Thread Inspection
Design	OEM/ODM
MOQ	500 - 2000pcs
Sampe Requested	Yes
Price Term	Ex-works, FOB,CIF, etc

Description:
1. Material: Brass or Bronze, Can be Customized.
2. Design: OEM/ODM
3. Machining Equipments: IMR Gravity Casting Machinin, Japan Automatic Casting Line,CNC,CNC Lathe,Transfer Machine,etc.
4. Inspection Equipements:Spectrometer for Material Composition Analysis, CMM for Diemsion Check, 100% Leakage Test, 100% Thread Inspection



About Us:
We can provide many kinds of casting parts/stamping parts/machining parts and forging parts.
1. Sand casting, gravity casting, forging, stamping, machining.
2. Applied software for specification drawings: Auto CAD, Solidworks.
3. Precision machining: CNC, milling machine, drilling machine, numerical lathe, all types of lathe.
4. Surface finish process: polishing, sand blasting, painting, electroplating, etc.
5. Good quality and strict delivery time.

Our Advantage
1.We Are Factory
2. OEM Accepted: We can make the products with the client's demand standard or the custom requirement.
3. Complete Service: We are always ready to hear from you, be responding to your enquiry immediately. Our Trade Manager is always online for you.
4. Competitive Prices:We are the manufacturing company which not only has our own manufacturing workshop, but the forging company as well. We provide the straight factory price and service to our customer.

Company Information:
Shanghai Tianshen Copper Group Co., Ltd was established in 1992, which is engaged in manufacturing and selling non-ferrous materials and copper products. The Group has passed the ISO9001:2000 quality system certification and the ISO14001:2004 environmental system certification. Now, Tianshen has become a group enterprise featured with its Lead-Free and environmental-Friendly copper products.

COMPANY INTRODUCTION

Shanghai Tianshen Copper Group Co., Ltd, established in 1992, is a professional manufacturer for copper materials and parts. With the development of 25 years, Tianshen has set up two facilities in Shanghai and Zhejiang as the manufacture base.By adoption of the advanced and automatic equipments, Tianshen focuses on providing high quality products throughout various industries, such as faucet, water meter, valve, plumbing, power, connector etc. With the high quality, excellent service and competitive price, Tianshen has become long-term strategic suppliers for many well-known brands all over the world.

OUR ADVANTAGES:

Comprehensive manufacture process from raw material to finished parts
---Devoted to whole process control and continuous improvements
Well equiped with modern devices and professional personnel
---Share advanced technology and experience
Multiple ways of production process from casting to forging
---Meet various needs of clients
Long-term partnership with top international companies
-----Stay competitive and focus on excellence

OUR PROCESS

Gravity casting
Centrifugal casting
Continuous casting / Extrusion
Automatic sand casting
Hot forging
Machining

MAIN PRODUCTS

Water meters and couplings
OEM Brass/Bronze/ Lead free parts
Brass/Bronze/ Lead free Ingots
Brass/Bronze/ Copper Coils/Strips
Valves and fittings
ETP Copper Bus bar
Brass/Bronze/ Lead free Rods
Brass/Bronze/ Copper Sheets/Plates

CAPTION FOUNDRY 铸造车间

车间介绍 Workshop is introduced

产品具有良好的延展性，深冲性，易电镀和优良的导电性等特点，广泛用于建筑，机械制造，汽车，电子电器，集成电路，变压器，电缆及各种电气设备等行业。

Bo provided with excellent ductility, deep-drawing performance, plating conductivity etc., and widely used in architecture, mechanical manufacture, auto motor,

COPPER INGOT 铜锭系列

产品介绍 Product introduction

产品结晶细腻，流动性好，含铜量纯正，表面光洁，易抛光，广泛用于卫生洁具、家用制造等行业，尤其适用于重力浇铸和低压铸造工艺生产水龙头和阀门等产品，能有效提高良品率，降低生产成本。

Be provided with high density, good liquidity, pure copper content, gloss surface, easy polishing ect., especially good at faucets and valves by gravity die casting and low pressure casting with high qualified rate and low cost.

Our Services
1)Reply your inquiry in 24 working hours
2)Experienced staffs answer all your questions in professional and fluent english
3)Customized design in avaliable OEM are welcome
4)Exclusive and unique solution can be provided to our customer by your our well-trained and professional engineers and staffs
